

PIC-2012

(PROJECT INNOVATION CONTEST-2012)

In Conjunction with 8th ICDCIT-2012, 2-4 February 2012

The **1st Project Innovation Contest (PIC-2012)** call for innovations in project proposals from undergraduate and post graduate students in CS, IT and allied streams to submit an abstract (500 Words) of their research/application project to be held in conjunction with 8th ICDCIT-2012, 2-4 February 2012. All submitted abstracts will be reviewed and selected proposals will be invited to develop and submit their work. Based on experts review, best **ten** proposals will be asked to make poster presentation during the main conference. Participants must ensure that no confidentiality or proprietary information is included in the submitted proposals. ICDCIT 2012 will treat all information submitted in proposals as nonconfidentiality and non-proprietary. Best **two** projects displayed during the conference will be awarded.

About ICDCIT:

Established in 2004, the ICDCIT conference series has become a platform for Computer Science researchers from India and all over the world to exchange research results and ideas on the foundations and applications of Distributed Computing and Internet Technologies. Increasingly, such technologies enable individuals and organizations to jointly engage in the production, processing and dissemination of knowledge.

Research/Application Areas (But not limited to):

Web- based Applications

Open Source Rural Base Applications

Health-Care

Data Mining
SOA
Mobile Applications
Distributed Computing
Real-Time Systems
Internet Technology
Cloud Computing
Grid Computing
Embedded Systems
Software Engineering

Guidelines of Project Submission:

1. Each project has to be certified by a supervisor
2. Each project can have maximum 4 members in a team.
3. The selection will be done by experts in the related area.
4. The top 10 selected projects will be show-cased (Poster presentation) during the main conference.
